BUCKEYE TRAIL ASSOCIATION MEMBERSHIP FORM

The Buckeye Trail is the first and only long distance hiking trail located entirely within Ohio. It traverses over 40 of Ohio's 88 counties. Recognition of the unique status of this

trail was given in 1967, when the Ohio General Assembly passed a resolution recognizing the Buckeye Trail as a unique hiking trail existing entirely within the state of Ohio.

The Buckeye Trail Association is a nonprofit corporation formed in 1959, initially to establish the trail between Mentor Headlands Beach on Lake Erie and Eden Park in Cincinnati. Today the Buckeye Trail has expanded to connect the four corners of Ohio—over 1,444 miles of trail are available to you in a continuous loop encircling the state.

The Buckeye Trail Association is funded solely through membership dues, map and merchandise sales, and charitable contributions.

You are cordially invited to join the Buckeye Trail Association, Inc., a nonprofit organization, to help promote its objectives and to share in its achievements.
