

BuckeyeTrailFest.org

BTF is the largest gathering of Buckeye Trail hikers, volunteers and outdoor enthusiasts. It serves as a fundraiser for the Buckeye Trail Association to build, maintain, protect and promote the use of Ohio's State Trail. We move the event around the state to highlight local portions of the trail and nearby communities.

Your contribution helps us do all that in a fun way.

SPONSORSHIP OPPORTUNITIES

Buckeye TrailFest would not be made possible without the kindness of our friends, members and local business partners. We can't say enough about their efforts to make this first event a success, so please let them know how much you appreciate their generous support.

Sponsors and donors allow us to provide a reasonably priced event to all participants. So thank you for believing in us! We appreciate your willingness to support the Buckeye Trail. We could not do this without you!

CHOOSE YOUR SPONSORSHIP LEVEL
